STRAWBERRY VANILLA

Our classic vanilla butter cake is filled with alternating layers of real strawberry buttercream and homemade strawberry compote. Decorated with naturally pink strawberry buttercream.

RED VELVET

A southern favourite! Our scarlet red cake is triple-layered with flavourful cream cheese filling and frosted in the same.

LEMON LOVER'S DELIGHT

One of High Tea Bakery's best sellers, this dense & delicious lemon cake alternates lemon buttercream with tart homemade lemon curd. Frosted in lemon buttercream, all using fresh lemons, of course!

TROPICAL COCONUT LIME

Taste the tropics with this dense coconut cake! Layered with tart lime curd and lime buttercream inside, and decorated with delicious coconut buttercream on the exterior.

THE CHOCOHOLICS

The ultimate in decadence! Moist chocolate chiffon is layered with rich and creamy chocolate French buttercream. Callebaut dark chocolate ganache coats the exterior.

BANANA CHOCOLATE

This old fashioned banana cake is filled with layers of milk chocolate buttercream, and decorated with the same. Accents of chocolate ganache decorate the top.

CARROT PINEAPPLE & CINNAMON

A true crowd pleaser, this delicious carrot cake is blended with pureed pineapple to create an ultra-moist texture. Filled and iced with cinnamon buttercream. Just the right amount of spice and flavour!

WEDDING CAKES & CUSTOM CAKES

High Tea Bakery no longer offers custom fondant cakes or tiered wedding cakes, but we do still offer dessert buffets and cupcake weddings.
